

HUBERT'S

MOBILE WORKSHOP

COMPANYPROFILE

Specialists in D4D's, GD6, Toyota Quantam & Toyota Land Cruisers

ABOUT US

HUBERT'S MOBILE WORKSHOP has offered superior vehicle repair and maintenance for years. We specialize in Toyota D4D, GD6 and Toyota Land Cruiser engines. We have built an understanding of our customers and their vehicles. At Hubert's Mobile Workshop, we go the extra mile for our clients.

There is no one better to trust with your vehicle service or fleet maintenance requirements. Placing your trust in Hubert's Mobile Workshop will not only give you peace of mind and keep your vehicle on the road but will also provide a worthwhile customer experience.

OUR VISION

Is to allow you relax and have peace of mind while we work on your vehicle's faults and bring it back to its best condition. Hence meet our key target of customer satisfaction and have positive feedback from our valued customers. To accomplish this, the company combines high quality workmanship with the competitive costs in the industry.

OUR MISSION

To achieve the highest customer satisfaction, ensure any job task is completed within the time stipulated. It is also our mandate to deliver the highest quality of work in the most efficient and economical way minimising costs for customers as we aim to be the best at what we do and be more reliable and trustworthy to our valued customers as we give and offer them 100% professional services. We believe our success and best achievements in this industry will be as a result of customer satisfaction based to our performance of the services we provide. As we aim to be the best to all our customers from individual customers, Corporate customers i.e NGOs and Private sector, Government institutions etc.

WHY YOU SHOULD CHOOSE HUBERT'S MOBILE WORKSHOP

● ATTENTION TO DETAIL

In this line of work, having an eye for detail is vital. Engines and vehicles consist of parts that fit and work together in a particular way. To avoid damaging the integrity of each vehicle's system, one needs to keep an eye on the small details.

● EXCELLENT CUSTOMER RELATIONSHIPS

In any service providing entity, the relationship between the provider and the customer is vital for a good outcome. It is important to us that you feel respected and understood. It is not just your vehicle that we look after.

● PROFESSIONAL WORKMANSHIP

We take pride in the work that we do. We deliver the final product to our customers as good as new. If we need to take a vehicle apart, we will take extra care when we put it back together.

● ONGOING CLIENT COMMUNICATION

We understand that time is money and that you will be concerned about how far along we are in the process of servicing or repairing. That's why we make it a point to maintain constant communication with you, so you won't need to ask these questions in the first place.

OUR SERVICES

VEHICLE SERVICING

We have a service plan that can kick in immediately after your car maintenance plan has expired. Our specialised car servicing and repairs are carried out by our team of dedicated expert mechanics. We also offer customised fleet maintenance service packages since each client has different requirements. Our pick-up and delivery service also frees you to fulfill your normal daily activities while we take care of your car.

MECHANICAL REPAIRS

At Hubert's Mobile Workshop, we carry out major & minor mechanical repairs mainly on Toyota D4D's, Toyota GD6, Toyota Land Cruisers and Toyota Quantams. Reducing your car's downtime is our priority.

AUTO ELECTRICAL REPAIRS

We use the latest wireless Diagnostics equipment that rapidly pinpoints auto-electrical faults in your car so we can address them urgently.

BREAKDOWNS & RECOVERIES

We take the stress away from the experience of a breakdown. With one phone call, we'll have your vehicle back on the road in the shortest possible time frame.

PICKUP & DELIVERY

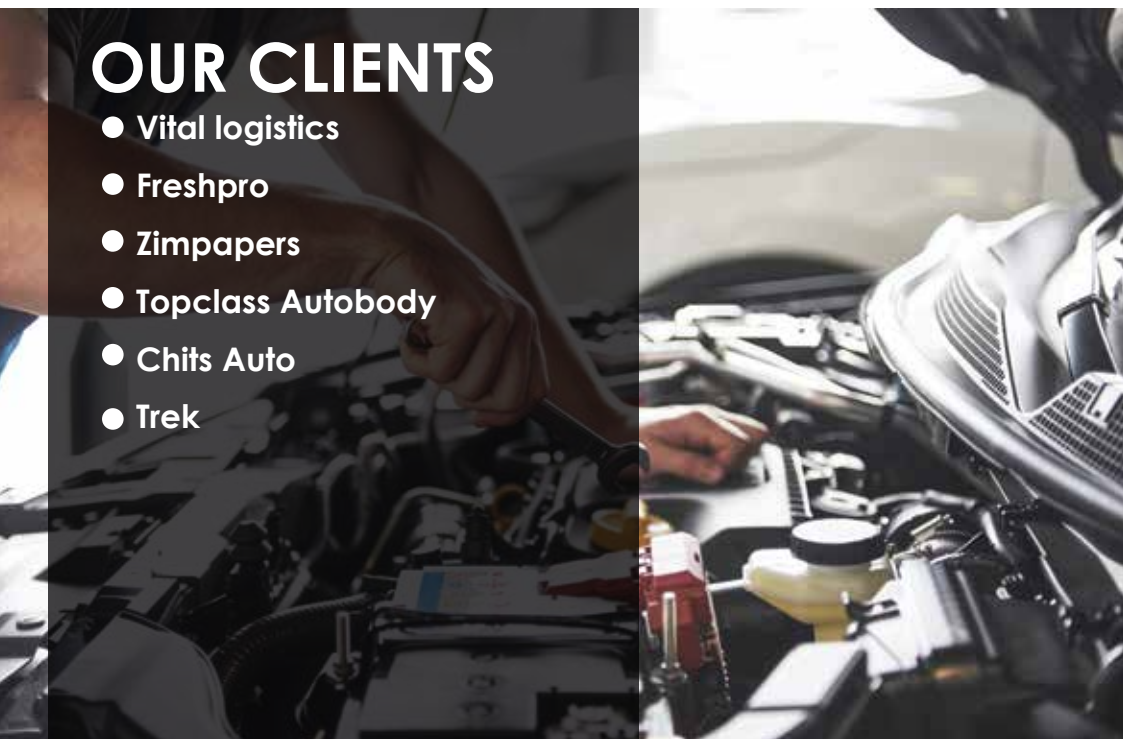

Our pick up & delivery service frees you up to focus on your business. On completion, all vehicles are valeted and sanitised in our fully equipped wash bay.
